

God's Work Design

Building for Tomorrow

God's Work Design: Phase 3 : This Phase begins when the applicant is ready to look for full time employment. It can be a struggle when looking for work, getting hired, and then keeping a job. This 3 week program, offers tools, practical work place experience, and many volunteer opportunities for individuals to make some connections with their community by using God's Plan of Work.

To live as Sarah's House ladies must be physically and mentally able and willing to obtain employment.

God's Work Design helps with filling out employment applications, creating resumes, mock interviews, online job search and applications, writing a cover letter, and volunteering and job shadowing. employment.

Work Program applications available at Connect Palmer Offices.

The LOCKER

Connect Palmer takes requests and donations throughout the year for items from our Personal Needs Locker.

Please stop by if you would like to request items from The Locker.

We also have a list of toiletry and cleaning items that can be donated for the Locker.

Scarlet Tapestries

Apprenticeship,
Discipleship, and
Community Service

A ministry that offers individuals the opportunity to learn a practical skill, serve their community in meaningful ways, and grow in their walk with Jesus Christ.

Connect Palmer

Foundations-2nd Phase:

Connect Palmer is a faith based, Christ Center Program. During the Foundation's Phase the resident at Sarah's House will be completing several Bible Studies both in house and at local churches.

During this time any drug and alcohol abuse assessment is required and any treatment needed will be done during this phase.

A volunteer mentor is assigned and the mentor meets with them weekly and helps the resident with setting goals, tracking progress, time management, and later in Phase 4, they help with budgeting and an Exit Plan.

The resident will be participating in local volunteerism and/or part time work depending on their level of skill and time needed for treatment plans.

When the resident is ready to begin the search for full time employment, they will move into Phase 3: God's Work Design.

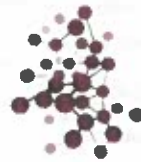

connectpalmer.org

Mission Statement

Connecting individuals and families to the Love of God by creating opportunities for the local Body of Jesus Christ to aid in helping meet practical needs.

LIFE Connect: Phase 4:

This Phase begins when resident has obtained full time employment. Our Life Skills Program has matched up the applicant with a volunteer mentor. This mentor has helped them during the Foundations Phase and is now ready to help with budgeting and an Exit Plan. The Exit Plan that will Address finances (by creating budgets for a minimum of 4 pay checks) and look at transportation options, housing opportunities, and creating a moving out Support Circle.

Sarah's House Mission Statement:

Connecting ladies with a safe and caring place to stay, where they can encounter the Love of God and learn that His Promises are for them Today!

Sarah's House

In the first year of offering the God's Work Design Program we noticed that will over half of the women who participated in the program were without homes.

We currently have 2 apartments (8 beds) above our Training Center at Connect Palmer, to allow ladies a safe and caring place to stay while doing the Foundations, God's Work Design Program, and the LIFE Connect Program.

It can take up to 1 year to complete all 4 Phases and graduate the program.

Applications for staying at Sarah's House are available at Connect Palmer offices.
